## **I-94 construction to begin Monday from Fryburg to Belfield**

The North Dakota Department of Transportation will begin construction on both eastbound and westbound lanes of Interstate 94 from Fryburg to Belfield on Monday, Aug. 17. During construction, traffic will be reduced down to one lane and speed will be reduced on the Interstate.

**During construction:**

- Speed will be reduced to 55 mph.
- A width restriction of 12 feet will be in place.
- Flaggers will help guide traffic.
- Motorists should expect a minimal of 10 to 15 minutes while work on the interchanges is being completed. Interstate traffic will have minimal delays.
- In some areas, oil will be on the roadway.

Construction is expected to be finished within one week.
